

BLOKNOT AGITATORA. No 15. May 1951

"Subjects, plans, and literature for chats during June 1951."

I. We will exceed the plan for the first half of 1951.

1. June — the final month in the struggle for pre-term fulfillment and exceeding the plan for the first half of the year.
2. The struggle for full utilization of internal reserves and rich techniques, for strictest economy of raw materials and materials — the basis for exceeding planned industrial output.
3. Organisation of collective Stakhanovite work — a most important condition for pre-term fulfillment of production plans.
4. To turn out production of excellent quality — the patriotic duty of workers of Moscow industry.
5. How socialist competition is organized in our enterprise for pre-term fulfillment of the State plan for 1951.

Literature

"On Results of Fulfillment of the State Plan for Development of the USSR National Economy for the First Quarter of 1951. Report of the Central Statistical Administration under the Council of Ministers USSR," Pravda, 8 May 1951.

"On Results of Fulfillment of the State Plan for Development of the Economy of the City of Moscow and Moscow Region for the First Quarter of 1951. Report of the Statistical Administration of the City of Moscow and Moscow Region," Pravda, 11 May 1951.

"For New Successes in the National Economy," Pravda, 8 May 1951.

II. To achieve better quality production at the least cost is the duty of Moscow industrial workers.

1. Output of better quality and lower cost production is a most important economic-political task.
will follow
2. We ~~are following~~ the patriotic example of Senior Foreman Aleksandr Rybak of the "Proser" Plant — we shall develop socialist competition for output of higher quality and lowest cost production.
3. Full utilization of techniques and utmost perfecting of the technology of production — the way to lower production costs and improve its quality.
4. Economizing every sort of raw materials and materials, cutting losses from waste and spoilage — the basis for lowering cost of production and exceeding planned accumulation.
5. Mastery by all workers of leading work methods — a necessary condition for improving quality and lowering costs of production.
6. How our brigade, shop, or enterprise fights for output of high quality and low cost production.

- I. V. Stalin, "Speech at the 8th Congress of the Komsomol," Collected Works, XI - 74-77.

V. We are organizing a model approach to sowing.

1. Carrying out all work connected with sowing in the shortest possible time and in accord with the demands of the best agro-technology — a necessity for receiving a good harvest.
2. We will achieve daily fulfillment and overfulfillment of the norms for the amount of weeding by every kolkhoz worker.
3. We are using all mechanized resources for sowing.
4. How our squad, brigade, and kolkhoz are approaching the sowing operation.

Literature

"A Timely and Careful Approach to the Sowing of all Crops,"
Sotsialisticheskoye Zemledeliye, 10 May 1951.

VI. We shall gather the hay on time and store more fodder for kolkhoz and sovkhos cattle.

1. Setting up permanent feeding bases — a decisive condition for utmost development of public kolkhoz and sovkhos productive livestock
2. Achieving full utilization and high productivity of all hay gathering machinery and silage cutters — the task of machine operators.
3. Consolidate the haymaking centers under the sky to efficiently organize labor — basic condition for gathering the hay on time
4. Daily fulfillment and overfulfillment of the norm for gathering feed — the duty of all kolkhoz workers
5. We are expanding socialist competition for outstanding conduct of haymowing and gathering of feed in the shortest possible time.

Literature

"Permanent Feeding Bases for Public Livestock Production,"
Pravda, 14 May 1951.
 "Fodder — the Basis for Development of Livestock Production,"
Moskovskaya Pravda, 16 May 1951.

VII. The Struggle of the Peoples of the World Against American Armed Aggression.

1. Delirious plans of the American imperialists for world domination.
2. The rabid armaments race in capitalist countries, the growth of armies and military budgets, remilitarization of Western Germany — evidence of preparations by imperialists of the USA and England for a new world war.
3. The struggle of the democratic camp, led by the USSR, to avert war and preserve peace.
4. Successful collection of signatures for the appeal of the World Peace Council for conclusion of a peace pact.
5. Communist parties in the vanguard of the struggle of the peoples for peace and against imperialist aggression.

6. Selfless labor will build up the might of our Motherland, the stronghold of peace for the whole world.
